

Collection of Fee Notice

Unpaid balances are subject to be sent to a collection agency.

For balances sent to collections a finance charge of 1.5% per month (annual percentage rate 18%) of the unpaid balance will be added monthly. Should collection become necessary, the responsible party agrees to pay a collection fee of up to 40% and all legal fees of collection, with or without suit, including attorney fees and court costs.

Parents and guardians, please be advised that if you don't provide a valid email address or update your email address or your phone number if it changes with the District, or block the District's emails or phone calls concerning funds owed by you, the District will still send the delinquent account to their collection agency without any additional attempts at further communication.
