

Publication of Student-Provided Content and Student Images Media Release

Throughout the school year, photos and videos often are taken of students participating in a wide variety of school-related activities and performances that occur at school during the school day. On occasion, some of these photos and videos, as well as write-ups of school-related activities and performances, and duplications of outstanding student work, may be used for public information or publicity purposes in school and District publications, the District's websites, and District social media outlets (e.g., Twitter, Facebook, etc.), as well as in local newspapers and in TV and radio news outlets. If you DO NOT want your child's photos, name, likeness or work to appear in these media options, please sign below.¹

I DO NOT want my child's photos, name, likeness or work from activities at the school during the school day released for school or District public information or publicity purposes in the 2026-2027 school year.
